INSTRUCTIONS

- (I) This mortal coil investigates the outer limits of HUMAN cognition, over 50 items. 50 hours in the realms of higher consciousness is optimal completion time.
- (II) A single attempt allowance is made per capita to preserve test quality. Nonhuman reference aids are allowed. Unauthorised publication is strictly prohibited.
- (III) Send your solutions with name, age, gender, country, and prior scores here: brennanharpermartin@gmail.com.
- (IV) Test ceiling is somewhere in the 170 to 180 range ($\sigma = 15$). Score reports are forwarded upon completion of preliminary norming (N = 30).
- (V) Answers must be entered in UPPERCASE. No penalty for guessing. Answer length is represented by underscores. One-word answers are never plural.
- (VI) 50 EUR scoring fee must be made through PayPal.
